## PAST EVENTS

*Take a look at all the great places* we have been since our first EXPO back in 1999. This is what this club is all about; building friendships that last a life time all because of our interest in the Empire tractor.

***Florida Flywheelers, February 2010:*** This is the fifth year that several of us Empire folks have gotten together for dinner and to attend the Florida Flywheelers show in Fort Meade. This year our Wednesday evening dinner in Port Charlotte totaled twenty-two folks with members and guests, along with five more

members catching up with us at the show on Thursday. Empire folks attending were: Jimmy and Brenda Rogers, Ken and Ellen

Rabeneck, Ronnie Miller, Leonard and Kathy Krebs, Jerry and Sharon Crowley, Bruce and Doris Hering, Jim and Betty Parker, Carl and Barbara Michael, Dave and Noralie Hering, Bill Griffith (never did catch up with Bill), Gary and Julie Watkins (they had their Empire on display), Carl and Ceph Hering and Steve Carey. I hope I did not miss anyone. As you can see, this is turning into an annual event that we all look forward to. As always, a good time was had by all and we look forward to getting together again next year.
